HAND ORGAN and MONKEY

AT

A. P. HUBBARD'S.

THE subscriber would take this method of informing his friends and customers, and the public generally, that in addition to his extra large and varied assortment of superior TOYS, CONFECTIONERIES and FANCY GOODS, (decidedly the largest he has ever offered in this market,) he has bought, while in Charleston, a beautiful Hand Organ and a Monkey for the amusement of his customers and their children during the Christmas holidays. They can be seen and heard by calling at the store.

He will also have on hand during the Winter months FRESH NORFOLK OYSTERS, guaranteed to be taken out of the shell and packed the morning they leave Norfolk, and he will be able to furnish them at very low prices.

My TOYS were selected in person, carefully, and, I think, very suitable for this market. The young Gents can find beautiful Presents for the young Ladies, and in return the young Ladies can find very appropriate and suitable Presents for their MOTHERS and SISTERS.

My stock of RAISINS, CITRON, CURRANTS, NUTS, of all kinds, PICKLES, JELLIES, PRESERVES, CANNED FRUITS and VEGETABLES, are all fresh and good.

My FRENCH CONFECTIONERY is superior to any I have ever offered for sale.

I would invite ALL to come and examine for themselves, and I don't ask any one to buy unless they are pleased.

In conclusion, I would say that MY STORE is not the only place in Town where articles in this line can be bought, nor would I pretend to sell lower than the lowest, but I will say that I think my stock will compare favorably with any house in Anderson, and my prices will probably be low enough for the times.

A. P. HUBBARD.

P. S.—ORANGES, LEMONS and FIREWORKS on hand through the Winter months.
